

Santa Clara University Golf Newsletter—Summer Edition 2008

Greetings University Golfers,

Following our Pacific Grove event on Saturday which drew our best attendance yet this year, I'm updating the website (www.universitygolfsc.com) and have resuscitated the e-newsletter. All the score sheets for the year-to-date events should be posted by tomorrow. There you'll also find the schedule for the year, as well as the tournament application sheets. If you haven't played for awhile, we have some great new courses scheduled, and the weather only gets better in California on into the fall! Please join us!

First the Pacific Grove highlights.....we had a typical California summer coastal day, but the weather certainly didn't dampen anyone's spirits or low scores. Even those rugged over-fertilized greens on the front nine proved no challenge to our winners. **Marc Haberman** placed 1st with a gross of 83, net 69; **Charlie Hyde** placed 2nd with a gross 83, net 70. **Ryan Cottengim**, one of our newest members was 3rd with a gross 98, and net 70. Congratulations to each of you....very close! Closest to the pin honors went to **Nick Resz, Charlie Hyde and Bob Pfahnl**. **Kevin Hauck**, another new member was awesome with 29 putts..quite amazing on those bumpy greens.

It also proved to be somewhat of a family event, as **Joe Pfahnl** played with his son, **Bob**, and his daughter's boy friend, **Jimmie**. **Cherryll's** mom, Doris, 82, from Tucson's Sun City and **Cherryll's** 2 sons made for a 3-generation event.

Last month at San Juan Oaks, **Tim Brown** was on fire (that's what I heard!) and won with a gross 97, net 73. **Joe Pfahnl, Mike P. Donohoe and Ken Resz**, all had a net of 74, with **Joe Pfahnl** winning with low gross of 92. **Joe Pfahnl and Tim Brown** also won closest to the pin, and **Ken Resz** had low putts of 30.

Several things of note this year....

Mark your Calendar-----October 11, 2008

Our Golf BBQ will be held at **Cherryll and Marc's** home in Los Gatos this year on October 11, 2008. In addition to the BBQ, there will also be the raffle for all those great golf prizes we've been gathering in the past 2 years. We weren't able to align it with a nearby golf event this year, so it's on a separate date. (We're playing Delta View on October 18th.)

The Roddy Ranch golf event is 9/20. This is supposed to be one of the most beautiful new courses developed, according to the SF Chronicle. Sign up now.

While working with the score sheets for 2008, year to date...a few highlights from the year so far.

We were rained out of the first 2 events of the year----this has never happened before in the history of the club. Must be global warming....

Nick (and **Maureen**, I'd guess too) has done a great job of identifying and scheduling some wonderful new courses so far this year and there are still more to come. Check out the schedule for future dates. (www.universitygolfsc.com)

We had the 3rd annual Borelli Bash at Bill's in Boulder Creek in July. **Bill and Susan** organize and set up a great day of golf, BBQ, decorations and prizes. What a fun tradition----thank to you both again!

Club Standings--points (\$\$) earned for 1st or 2nd place, low net. \$25 for First Place, and \$15 for Second Place.

1. Charlie Hyde	75
2. Nick Resz	50
3. Marc Haberman	40
4. Ken Resz	25
5. Aggie Potter	25
6. Bill Borelli	25
7. Tim Brown	25
8. Joe Pfahnl	15

Some other interesting tidbits...

Nick is the only person who has won 2 tournaments this year, so the field is still wide open. **Charlie**'s had the most second places with 5!

Tim Brown has won the most "closest to the pin" with 4, and **Cherryll, Charlie, and Bill** each have 3. The lowest putts of the year was **Bill Addison** at 28.

And in closing....a new feature...a golf joke!

(If you have a good golf joke, please send it and I'll post it on our website and include it in future newsletters....)

Bad Day on the Course

A very bad golfer is playing at new course and he is having a very bad day.

He is on the 18th hole, and he see's a lake.

He says to his buddy, "I think I'm going to go drown myself in that lake".

The buddy says" I don't think you can, you can't keep your head down that long.

Keep swingin',
Cherryll Sevy
